By the chart on page 5...you mean no labels? If so, I repasted as a pic, so it should be okay now. And I deleted that line.

Let me know if anything else should change.

Hi Amy,

I haven't seen this yet, but I think it must be a draft, as the chart on page 5 doesn't have any figures. I also believe the very last line of the text is not right - or at least not what I think is right. I think we want to delete that line:

Also - we'll want to add "Confidential" to all pages.

These should be easy to edit, and Rachel is back from vacation today, so she can make these changes.

Thanks!

Hi Stu,

Leslie is performing one last check of the financial aid portion of the Briefing Book. Attached is what Rachel sent me for the Admissions portion. Is this still a draft version? If so, please let me know when you think it will be finalized as I know you wanted the Briefing Book done today so it could be sent to the EMG group.

Thank you,
Amy

Hi Amy,
Thanks so much for raising this. Last year I see we emailed the book to the group two days before the EMG meeting, which last year was much later (9/24 was the meeting). So if we want to email the book out to the group two days before, on Sept 6, we'll want to have a completion date the week before, so we can do any last minute checks, etc.
Thanks!
Stu

Hi Stu,

I'm going to start prepping for the September 8th EMG meeting and that includes getting the Briefing Book ready. Please let me know when you want to email the book to EMG members so I can set my deadline for completion prior to that. I will work with Rachel to ensure we meet our deadline.

Thank you,
Amy
